- Arabic Language Instruction (Native Speaker)
- Teaching Arabic to Non-Native Speakers (Certified)
- Active & Student-Centered Learning
- Large-Classroom Management (40–50 students)
- Lesson Planning and Curriculum Delivery
- Educational Assessment Design
- Educational Technology Integration
- Educational Training and Facilitation
- Project-Based and Inquiry-Based Learning
- Cross-Cultural Communication

Professional Experience

Arabic Language Teacher

2011 – Present

Syrian Ministry of Education, Damascus, Syria

- Teach Arabic language and literature to preparatory and secondary students, consistently meeting national curriculum standards across 14+ years of continuous service.
- Design and deliver lesson plans built on active learning and student-centered methods, adapted to mixed-ability classrooms.
- Manage and engage classes of 40–50 students, maintaining a positive and inclusive learning environment with minimal disruption.
- Create and administer formative and summative assessments to track learning outcomes and adjust instruction accordingly.
- Integrate digital tools, multimedia, and online resources into lessons to increase engagement and accessibility.
- Lead project-based and inquiry-based learning activities, encouraging independent thinking and collaboration.
- Coordinate literacy initiatives and extracurricular programs, including school-wide Reading Challenge competitions.
- Mentor students for academic competitions and oversee preparation for standardized assessments.
- Pursue ongoing professional development, incorporating new instructional methods into regular teaching practice.

Educational Facilitator / Teacher

Summers 2022 – 2023

Greek Orthodox Patriarchate of Antioch and All the East — Department of Ecumenical Relations and Development (DERD)

- Delivered educational and learning-support programs as part of community-based initiatives for displaced and at-risk youth.

- Applied learner-centered and interactive teaching methods adapted to non-formal education settings.
- Collaborated with multidisciplinary teams (educators, social workers, program coordinators) to meet program objectives.
- Designed and facilitated engagement activities that strengthened students' participation and skill development.
